

CAMPING PILA

Spend an unforgettable vacation on the nearest Adriatic island in one of the best campsites in Croatia!

The Pila Campsite is situated on the sunny southern part of the island of Krk, in the beautiful Punat Bay, separated from the sea and the beach with nothing more than a promenade and salt cedar trees. The campsite offers comfortable accommodation on well-maintained plots shaded by pine trees and provides great value for money. Very well-equipped and clean washroom facilities for children and adults ensure a high standard of health and cater to hygiene needs, while respecting strict environmental standards.

A variety of entertainment is offered in the nearby town center. Anything from cultural events to entertaining local festivities can be found only a few steps away. Enjoy every ray of sunshine and every drop of the crystal clear sea on the most beautiful part of the Mediterranean coast!

The campsite pays special attention to hygiene, which is why our washroom facilities have been designed to meet the highest standards.

The high-standard washroom facilities that we are very proud of include:

- three renovated washroom facilities with modern equipment including showers, toilets and sinks with mirrors, built in accordance with the latest environmental requirements,
- separate sinks in stalls,
- wash basins for dishes and laundry,
- washroom units for children with showers, toilets and sinks,
- baby changing area with a baby bathtub,
- laundry room offering washing and ironing services,
- fully equipped bathroom for the disabled,
- water fountains.

The water is heated using solar energy.

To make your stay even more pleasant and comfortable, we also offer the following services:

- anchoring space for smaller vessels directly in front of the campsite,
- campervan repair service (Trokadero),
- area for washing camping equipment,
- area for grooming and washing pets,
- small kitchen for guests,
- fridges for guests,
- water fountains,
- barbeque area,
- safe deposit boxes,
- phones,
- Internet corner within the front desk area
- WI-FI network.

- Situated only 100 m from the center of town, starting right in front of the Pila Campsite, the concrete beach zone combines sun-bathing areas with the shade of salt cedar trees. The beach includes numerous amenities: a candy store, bars, commercial and entertainment points of interest, as well as a deck-chair and sunshade rental service.
- Every day during high season, the small Punat shuttle provides transportation to attractive pebble beaches at the mouth of the bay where engaging sports activities are on offer, right next to the crystal clear sea: water slide, parasailing, beach volleyball, banana boats and more.
- If you wish to experience nature to the fullest, explore our remote pebble beaches. Taxi boats will take you from the town port to a remote white cove to be enjoyed only by you.
- If you are a naturist, we recommend going to the beach at the Konobe Naturist Campsite which offers a number of lovely small pebble beaches for your enjoyment along its 2-km-long coastline.
- Numerous island beaches, many of which have been awarded the Blue Flag, await you: the pearly beaches of Stara Baška only 7 km from Punat, the famous beaches of Baška, as well as other Krk beaches.
